

Never There, single charted at #1, original in E  
Dialtone

[Verse 1]

I need your arms around me, I need to feel your touch  
I need your understanding, I need your love so much  
You tell me that you love me so, you tell me that you care  
But when I need you (baby) baby, you're never there

[Pre-Chorus 1]

On the phone long, long distance  
Always through such strong resistance  
And first you say you're too busy  
I wonder if you even miss me

[Chorus]

Never there. You're never there. You're never ever, ever, ever there  
Hey!

[Verse 2]

A golden bird that flies away, a candle's fickle flame  
To think I held you yesterday, your love was just a game  
A golden bird that flies away, a candle's fickle flame  
To think I held you yesterday, your love was just a game  
You tell me that you love me so, you tell me that you care  
But when I need you (baby) baby

[Pre-Chorus 2]

Take the time to get to know me  
If you want me, why can't you just show me?  
We're always on this roller coaster  
If you want me, why can't you get closer?

[Chorus]

Never there. You're never there. You're never ever, ever, ever there  
Never there. You're never there. You're never ever, ever, ever there  
Hey!

[Outro]
